

# Jessica Janiszewski

Sequential Artist & Visual Development Artist

jessicajaniszewski.com | jessicajaniszewskiart@gmail.com | (540) 718-5396

## Profile

Experienced story and concept artist proficient in script analysis, character development, and narrative progression. Skilled in both independent and collaborative work, dedicated to translating project requirements into polished designs. Effective at managing multiple tasks through interpersonal skills, strong time management, and problem-solving abilities.

## Experience

### “Split!”

Visual Development Artist & Composer

July 2023 - Present

Collaborated on a student capstone film and contributed conceptual artwork for character designs and props. Composited 2D animation, effects, and 3D animation in After Effects.

### “The Wiggly Race”

Storyboard Artist

September 2023 - December 2023

Drew storyboards for an independent student project based on an individually developed script. Fleshed out characters and plot line to create a comprehensive narrative under a tight deadline.

### “SCAD\_Bumper\_Final.mp4”

Prop Design Lead

January 2023 - March 2023

Collaborated on a student film to develop story line, characters, props, and environment designs. Organized and prioritized short-term and long-term milestones for quarter-long project.

## Education

**BFA Animation, BFA Sequential Arts, Savannah College of Art and Design  
Savannah, GA**

July 2019 - Expected June 2024

Courses of study focused on telling clear and compelling stories through sequential art, environment, and character designs.

## Awards/Recognition

**Scholastic Art and Writing Awards, DC**

February 2020

Honored with the Gold Key Award for a short story writing project.

**Virginia High School League Creative Writing Competition**

March 2019

Honored with Excellence Award for a short story writing project.
